## Price List of Peonies

July, 1924

The following list of prices, compiled during the blooming season, cancels all previous lists and contains all those varieties which are for sale during Fall, 1924. The prices are for standard 3 to 5 eye divisions or equivalent one year roots. If smaller, "2 eye divisions" are desired we will furnish them in all varieties listed at \$5 or more at ½ the price of the standard divisions. We advise planting the large divisions for most satisfactory results.

Prices are all F. O. B. LaPorte, packing free. All shipments will be sent by express unless postage at 10c per root is included with the order. Orders will be filled in strict rotation, as received and we advise ordering early as the available stock of many of the rare varieties is limited.

All roots are guaranteed clean and healthy, from vigorous, blooming stock and are absolutely true to name.

In our trial plat we had an Iris which was so universally admired that we bought the entire stock from the originator, with the privilege of naming and introducing it. Every visitor wanted it.

**Kalos**—(Sass, 1924) Standards white, lightly veined and flecked pale rose, full, arching and slightly ruffled.

Falls, same dainty coloring. Prominent yellow beard. Total effect pink. Large flowers, stout stem, medium height.

We can send a rhizome postpaid for \$5.00 to a limited number.

Collections of 10 peonies, our selection, will be furnished for \$5.00 and will make a good hedge or a row from which to cut blossoms for the house.

Lack of space in which to plant makes it possible for us to offer 1 year seedlings at \$5.00 per 100, and 2 year at \$10.00 per 100. There will be all sorts of surprises among them and you may get a treasure.
